I'll see what we can do. I'll get something!

Here is a copy of the email I received from Lisa at IC Claims confirming that they would be receiving the funds tomorrow

RAJ - IC will be receiving the funds from London tomorrow. After receiving the funds we will then issue the payment to Tailwind. I have already advised Kelly that it will take a couple of days to issue the payment after we receive the funds from London. I now need to gather the appropriate information to arrange for payment to Tailwind.

KELLY - can you please confirm in regards to payment whether this is to be paid by check or can we do a wire transfer? If by check can you please confirm that we will issue the check to:

Tailwind Sports Corporation
5515 Security Lane, Suite 1103
Rockville, MD 20852 USA

Please also advise if the check should be delivered to Tailwind or to you.

If we can do a wire transfer, please have Tailwind provide their banking information:

- Bank Name
- Bank Address
- ABA Routing #
- Swift Code
- Account Name
- Account Number

Thanks,
Lisa

Kelly- An proof that you can provide that the wire is actually on its way would be great! A confirmation number, etc. I really think we need to push them to at least send it to Lance tomorrow, even if it does not
