Laura,

Glad to hear you spoke with Kelly and we both hope all three are getting resolved shortly. We are both a little taken aback that SCA is wanting to deal directly with you which is a first for both of us in the contingency arena (and not appreciated, I might add, since it's our job to represent you to them!).

Let us know if we can help out and we will continue to pursue adjustment and payment with Lloyd's.

Best Regards,

Terry J. Michelitch
