Re: Capital Sports Entertainment – Disson Furst/US Postal Contracts.

Mr. Tillotson.

Find enclosed two contracts entered into about 15 months apart by William Stapleton of Capital Sports Ventures.

In the interim period Lance Armstrong both won the 1999 Tour de France and escaped from an alleged failed drug test for cortisone. I draw your attention to the fact that paragraph 10 of the 1999 contract reads:

10. If Armstrong is the subject of a verified positive drug test, DF&P may terminate this letter agreement.

This paragraph is not present in the 2000 contract.

I think that these documents could be useful in a deposition of Bill Stapleton and I point out that Stapleton may not be aware we possess the 1999 contract because we obtained it gratuitously from the files of Global Specialty Risk who were on the risk for a 1999 Tour de France Lance Armstrong bonus.

Very truly yours,

Chris Compton
