Of course. Let me know. I took Allison's parents to the airport this morning. Thanks for allowing them to stay here. They said to tell you thanks, too. They enjoyed Girona immensely.

Miguel,

I need to see if you can pick up Juan on Tuesday from Barcelona. He's flying back with a lot of my bikes and he needs to get them to you anyhow. He'll be coming into Barcelona. I'm not sure of his arrival time yet but I will get to you asap.

Thanks,

LA
